

2019

# StanHacks

Hosted by the Computer Science Club of Stan State

4/27/2019 || 8am-8pm

CSU Stanislaus, Faculty Development Center

Expected Head Count: 75-90

## About us

StanHacks is the first ever Hackathon to be hosted right on the Stan State campus! For those unfamiliar with a Hackathon, it is a programming competition where competitors are given a time frame to build software. Our Hackathon is open to all college students who wish to compete.

## Why Sponsor?

The major goal of StanHacks is to find solutions in our communities. The main theme of the event is to find a solution to an issue in the city, county, or state. Sponsorships would, by extension, help the community.

You would also be sponsoring the future of technology in the Central Valley. Hackathons are a wonderful way for students to showcase their abilities. Your sponsorship would not only help make this Hackathon happen, it would also help bring solutions to issues impacting our local communities.

## Where your Sponsorship money will go

Hackathons aren't cheap, there are always a lot of costs involved. Sponsorship money would simply be going to those costs. Here is where it'll go:

- Prizes: These can also be provided by sponsors, but we will also use sponsorship money to buy prizes for the event
- Catering: This includes meals, snacks, and drinks
- Travel Reimbursement: Students may be travelling from other Universities, it is common practice for Hackathons to reimburse students who have to travel greater distances.
- Website Tools: JotForm Membership (Bronze Tier Membership, \$19/month)
- Equipment costs: This includes any equipment needed for the event, stuff like power strips and anything else needed to make sure everyone is able to work on their projects without delay

- University Fees: Stanislaus State requires us to pay for an event monitor. We'll likely be paying for 14 hours at a \$20/hour rate.
- Unexpected costs: Of course with anything there will be unexpected costs, so we want to make sure we're prepared for any unexpected costs.

## All Sponsors Welcome

This is an opportunity to market your brand, it doesn't matter if you're a tech startup or a mom and pop shop, we welcome everyone. This is an investment in the future of tech for the Central Valley.

## Sponsors

Contact us below to sponsor us, see the chart below for sponsorship benefits.

**Email:** [csclubcsustan@gmail.com](mailto:csclubcsustan@gmail.com)

Silver (\$100-\$300)	Gold (\$301-\$600)	Platinum (\$601-\$900)	Diamond* (\$901-\$1200)	Partner* (\$1201+)
Small Logo on Site and Tee	Medium Logo on Site and Tee	Medium Logo on Site and Tee	Large Logo on Site and Tee	Extra Large Logo on Site and Tee
